

In order to have your team Press Release published on the ECS web site, please keep releases limited to under 10 paragraphs. Releases can be submitted in Microsoft Word documents or in plain text copied into an e-mail sent to [site administrator](#) . No guarantee of release publication is implied or stated.

Photos and/or logos must be submitted in **Jpeg file formats**, optimized down for quick page viewing. ECS will not guarantee images will be included in published releases. Logos that conflict with series sponsors exclusivity agreements will not be published. PDF versions of press releases may be linked as long as file size is restricted to under 1mb in file size.

ECS assumes that approval of image submission has been granted to the submitter by the owner of the photo/logos images. ECS assumes no liability of unauthorized images used in releases beyond the deletion of said images at the request of legal image owner.
